(a) & (b) The Competition Commission of India (CCI) has found contravention of provisions of Section 3 of the Competition Act, 2002 in 24 cases and imposed penalties under Section 27 of the Competition Act, 2002 for entering into anti-competitive agreements during the last three years i.e. 2014-15, 2015-16 and 2016-17. The details of cases as well as the name of parties involved are indicated in the Annexure − I. The Commission does not deal with the cases state-wise, as the issues involved encompass the relevant market, which may not be confined to any one state geography.
